John Robinson has been worried all the week. Last Thursday he received a letter from the police. In the letter, he was asked to go to the police station. John went to the station yesterday and now he is not worried any more. At the station, he was told by a policeman that his bicycle had been found in a small village five hundred miles a way and was being sent to his home by train. John was surprised when he heard the news. His bicycle was lost twenty years ago when he was a boy of fifteen.

55) Did John receive a letter from the post office?
.....

56) Where had John's bicycle been found?
.....

57) How old is John now?
.....

58) The policeman was surprised when he saw John? a) True b) False

59) John was worried before he went to police station, a) True b) False

"Good luck"
